

Intrinsic Freestanding

Intrinsic Freestanding is a fully integrated line of laminate freestanding components including desks, credenzas, bridges, returns, hutches, bookcases, tables and laminate storage. This line offers high-end aesthetics, with a range of styling options and finishes.

Trendway product catalogs are available in the following design software: 20/20 (CAP/ Giza) and Project Matrix. The Core price book is also available in .pdf (Acrobat Reader) format on www.trenddealer.com. For Architects and Designers, a free FSL (Furniture Symbol Library) is available on www.trendway.com.

Product dimensions are given throughout the product catalog and are followed by parenthesis which have the metric equivalent in millimeters. For example: A Rectangular Work Surface is available in a 48" (1219)-width.

Ordering Information

The most efficient way to enter an order is through Trendway On-Line Order Entry on dealer.trendway.com, which also accepts .sif files from the design software listed above. Faxed orders are available as well but may extend lead-times.

For ease in specifying, Trendway's catalog numbering system uses meaningful characters to convey description, surface type, and size. For example, ZFCD2436 represents an Intrinsic **Corner Desk** that is **24"** (610)-deep and is **36"** (914)-wide.

Order specification examples are shown throughout the price book at the bottom of each page. Be sure to follow the order sequence carefully to ensure complete and accurate order specification.

After placing an order, Trendway will send an order acknowledgement that follows the sequence of information outlined below. Trendway encourages you to follow the same steps so that checking your order against the acknowledgement will be as easy as possible.

Placing an Order

To make placing an order simple, Trendway On-Line Order Entry automatically prompts the product and option decisions that are required. For accurate order processing on faxed orders, please type or use legible handwriting, and be sure to include the following information:

1. A complete "sold to" address with correct Zip code.
2. A complete "ship to" address with correct Zip code.

3. A purchase order number. (The order is issued to Trendway Corporation, Holland, Michigan.)
4. A signature or name of person authorizing the purchase order.
5. A contact name and phone number at your company.
6. An actual calendar date for the requested delivery date (not ASAP).
7. Line items that are complete, which means all catalog numbers and descriptions, options listed for each product selected, fabric/finish pattern and color descriptions, and all corresponding letter or number codes. Be sure to make a pick for all available options. Also, combine identical items and specify total quantity unless using special marking or tagging.

(Refer to your price list for ordering options.)
8. Special products referenced by their control numbers as well as their descriptions.
9. Line items that include price per unit, as well as extended totals.
10. A total dollar amount for the purchase order.
11. Any special shipping requirements clearly noted; i.e., "call before delivery."

By placing your orders correctly and completely the first time around, your order will be processed and scheduled without delay (subject to credit approval).

Lead-Times

The majority of Intrinsic Freestanding products are shipped within Trendway's standard lead time. Extended lead-time items in the catalog are designated by shading.

Note: Shipping lead-times are subject to product availability due to order size. For exact lead-times on your order contact Trendway Customer Care.

Surface Material Program

The Trendway Surface Material Program includes a broad selection of coordinated fabrics, laminate and trim finish options. Additionally, Trendway offers a Customers Own Material (COM) program to allow customers to further personalize their work stations.

The following sections describe the Trendway Surface Materials vocabulary.

Standard Program

Trendway's Standard Program of timeless and popular fabrics, finishes, vinyls and laminates, is recommended for corporate standards programs. These fabrics are carded and swatched by Trendway. Materials in the Trendway Standard Program offering are readily available for orders to ship within 2-4 weeks. Refer to individual panels for fire rating classifications.

Scheduled Program

Trendway's Schedule Program is made up of additional colors of standard patterns, as well as an evolving collection of fabrics from our textile partners designed to solve all your needs. Influenced and kept up to date by emerging trends, the typical life span in this program is one to three years and is not considered part of the standard program. To see the Scheduled fabrics go to the surface material page on our website at www.Trendway.com and filter for "Scheduled" under "Lead-Times". Scheduled fabrics may have different lead time than standard fabrics. Please call Trendway customer care for estimated ship dates.

Both Standard and Scheduled Materials in this program comply with the industry standards for quality and performance.

They all pass California Technical Bulletin 117-2013 and are listed as part of the UL recognized component program.

COM

Customers Own Material program allows customers to select and specify their own fabric or laminate on Trendway product. For detailed information see item #11 (COM) in the Pricing, Procedures and Policies section in the back of the price list or on Trenddealer.com.

Pre-Approved COM

Select from popular COM fabrics pre-approved by Trendway. Customers are able to search the COM library on dealer.trendway.com for fabrics and specific applications that have passed manufacturability testing on Trendway product.

HOW TO ORDER SAMPLES**Standard Program Binder Cards**

Seating and panel binder cards are available through Trendway fulfillment. dealer.trendway.com

Standard Program Samples

Samples of fabrics and finishes are available through Trendway fulfillment. dealer.trendway.com

Scheduled Samples

Samples must be ordered directly through the supplier. Contact information is listed below and also on our website www.trendway.com/surface-materials. Click on the link next to the swatch samples.

Intrinsic Keying Order Form

This form can be used as a worksheet or an order form to determine what key-alike Intrinsic Core/Key Sets are needed for key-alike Intrinsic filing and storage, Intrinsic locks on Choices flipper units and for additional Intrinsic Lock Keys, Core Keys and Master Keys*. It is also used to specify special tagging instructions to designate installation locations, which is offered free of charge.

The information on this form can either be entered in Trendway's design software, or through Trendway On-line Order Entry on trenddealer.com using the catalog numbers listed below or it can be used as an order form and faxed to Trendway Customer Care.

Intrinsic Core/Key Set

Intrinsic Core/Key Set includes a lock core and 1 lock key. Intrinsic Core/Key Set numbers are randomly selected from existing inventory unless otherwise specified on this form. Requesting specific numbers** may delay shipment of your key-alike order and may require partial or delayed shipment of your lock cores and keys separately from your order. Additional lock keys are available.

Intrinsic Core Installation/Removal Key

Intrinsic Core Installation/Removal Key is needed to install Core/Key Sets and to remove or replace existing Intrinsic lock cores. One Core Key is included at no charge for every 1 to 50 Core/Key Sets ordered.

***Intrinsic Master Key**

Intrinsic Master Key is used to open any Intrinsic style lock. Master keys are sent out separately from the product order. Request for Master keys must be made on the end users letterhead and faxed to Trendway Customer Care at 1-800-893-8212. Orders are shipped within 24-hours of receipt.

Qty.	List Price \$8	Key Number S101 -S200	

Qty.	List Price \$4	One core removal key is included at no charge for every 50 lock sets ordered.

Intrinsic Master Keys are used to open any Intrinsic style lock. Master keys are sent separately from the product order. Request for Master keys must be made on the end users letterhead and faxed to Trendway Customer Care at 1-800-893-8121. Orders are shipped within 24-hours of receipt.

The Intrinsic Core/Key Set must be ordered when the Key-Alike Lock option is chosen to replace the “disposable” core that ships with Intrinsic filing units in order for these units to lock. This set can also be ordered to replace an existing Intrinsic Core/Key Set. Includes an Intrinsic lock core, 1 lock key and 1 Core Installation/Removal Key for every 1 to 50 Core/Key Sets ordered.

Intrinsic Core Installation/Removal Key

The Intrinsic Core Installation/Removal Key is needed to install or remove Intrinsic Cores in Intrinsic filing units or in Intrinsic Locks for Choices Flipper Units (ZCHFLA and ZCTAFLA). One Core Key is included at no charge with every 1 to 50 Intrinsic Core/Key Sets ordered. This key is available if additional Installation/Removal Keys are needed.

Intrinsic Lock Key

Intrinsic Lock Keys have a unique fold-away design to allow for a larger key grip area. These keys are available if additional Intrinsic Lock Keys are needed.

Intrinsic Freestanding Overview

Intrinsic Freestanding is a fully integrated line of quality freestanding desks and modular case goods. The collection includes desks, credenzas, hutches, modular filing and storage, and conference tables. This line offers high-end aesthetics, with a range of styling options and finishes.

Ordering Information

For ease in specifying, Trendway's catalog numbering system uses meaningful characters to convey description, surface type, and size. For example, ZFCD2436 represents an Intrinsic **Corner Desk, 24"** (610)-deep by **36"** (762)-wide.

By following the Sample Part Number Example at the bottom of each page, you create a Part Number for each product. This Part Number will match your acknowledgement and packing slip.

When ordering filing and storage units, list the following:

1. Quantity (combine same products)
2. Complete Part Number, see Sample Part Number at the bottom of each page for correct number sequence.
3. For ease of reading, place a period between each option number (ZFERDR427230.F.XZ1.XZ4.XZ1).

Intrinsic Key Option

Intrinsic Laminate filing and storage units have two lock options to choose from. Units can be randomly keyed (option "R") or they can be key-alike (option "T") for no additional upcharge (see page 9 for more information). When the randomly keyed option "R" is chosen the Intrinsic Laminate filing and storage unit will ship with a randomly numbered core/key.

When the key-alike option "T" is chosen the Intrinsic Laminate filing unit will ship with a "disposable" core in place of the core/key and the specified Intrinsic Core/Key set(s) will be packaged separately for field installation. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic Laminate filing unit to lock. The Core/Key set (ZFLCK) must be ordered separately or by using the Intrinsic Keying order form.

STANDARD FEATURES

Modesties

Modesty panels are available as full-height or half-height. Half-height modesties provide 12" (305) of space under the modesty for accessing wall outlets.

End Panels and Supports

Desks come with full depth end panels or Adjustable Support Column and T-base (Peninsula and Extended Conference desks only). Returns come with a full or recessed end panel.

Edgebanding

Components are finished with PVC edgebanding. The edgeband color will always match the color of the Thermofused Laminate unless an option pick is noted. All work surfaces and storage component tops have 3mm edgebanding. All remaining components have 1mm edgebanding.

Wire Management

All desks, credenzas, returns, bridges, and reception stations are equipped, at work surface level, with one or multiple grommets. An optional grommet is available for field installation in all modesty panels. Grommets are available in black only.

Drawers

All drawers are built for trouble-free performance:

- Chrome plated fully progressive ball bearing suspensions with over-travel on all lateral file drawers with 150 lbs rated load capacity.
- Chrome plated ball bearing suspensions on all box drawers and file drawers with 75 lbs rated load capacity.
- Drawer construction is laminated particleboard sides with MDF bottom.
- Integrated PVC top rails for file storage on lateral drawers and 12" pedestal drawers.
- Interlock standard on all freestanding laterals.

Doors

Hutch and Storage doors have 95 degree hinges and shock absorbent bumpers.

Leveling Glides

Desks, Credenzas, Returns, Bridges, Reception Stations, Tables and Bookcases allow up to 1" height adjustment.

Pedestals, Laterals, File Centers, Storage Cabinets and Towers allow up to 1⁵/₈" height adjustment, and are adjustable from inside the storage unit.

Pull Style Options

Intrinsic Laminate Freestanding filing and storage units have four 128mm center applied pull options (Classic, Streamline, Designer and Mod2) and one 256mm center pull (Modern). These are all plated nickel finish.

Dimensions

All dimensions listed are nominal unless otherwise noted.

Certification

All components of the Intrinsic Freestanding offering meet or exceed ANSI/BIFMA x5.5-2014 performance standards unless noted.

Special Products and Finishes

Please contact Trendway Custom Solutions 1-800-893-8117 for product availability and pricing on non-standard products.

Special finishes (i.e. non-standard) may be ordered at an upcharge. Minimum quantity may be required. Please verify with our Custom Solutions Department. Delivery may take longer depending on the choice of finish or type of material.

SPECIFICATIONS

Component Capacities

Trendway Corporation will not, under any circumstances, guarantee or assume responsibility for loading performance beyond the basic individual component capacities given below.

Desks:

5 lbs. (2.3kg) per linear inch, uniformly distributed.

Hutches and Bookcases:

3 lbs. (1.4kg) per linear inch of usable space.

Overhead Storage Units: Inside — 3 lbs. (1.4kg) per linear inch.

Top — 2 lbs. (.9kg) per linear inch of usable space.

Pedestal:

6" (152) Pedestal Drawer — 20 lbs. (9kg)

12" (305) Pedestal Drawer — 40 lbs. (18kg)

Top — 90 lbs. (41kg)

Laterals:

Drawer — approx. 2.6 lbs. (1.17kg) per linear inch

Top — approx. 4.6 lbs. (2.1kg) per linear inch

Storage Towers:

6" (152) Pedestal Drawer — 20 lbs. (9kg)

12" (305) Pedestal Drawer — 40 lbs. (18kg)

Top — 140 lbs. (64kg)

Wardrobe Shelf — 30 lbs. (14kg)

Wardrobe Bottom — 50 lbs. (23kg)

Cupboard Shelf — 60 lbs. (27kg)

Cupboard Bottom — 90 lbs. (41kg)

Coat Rod — 55 lbs. (25kg)

Double-Door Storage Units:

Shelf — 100 lbs. (45kg)

Top — 160 lbs. (73kg)

Bottom of Cabinet — 160 lbs. (73kg)

Coat Rod — 55 lbs. (25kg)

Tables:

36" (914) - 60" (1524) — 200 lbs. (276kg)

72" (1829) and longer — 400 lbs. (552kg)

Reception Stations:

Counter Caps: 3.5 lbs. (1.6kg) per linear inch, uniformly distributed.

Maximum Load Capacity For Any Storage Unit

The maximum load capacity for any storage unit is calculated by multiplying the above stated lbs. for each shelf or drawer that is included with the unit and adding them together (includes the top of the unit and the inside bottom).

Eg: Maximum load capacity for a ZFDDF536 = load capacity for bottom + 3 shelves + unit top
= 160 lbs. + 100 lbs. x 3 + 160 lbs.
= 620 lbs. maximum load

Eg: Maximum load capacity for a ZFLATF236 = load capacity for drawer x 2 drawers + unit top
= 2.6 lbs./linear in. x 36" x 2 + 4.6lbs./linear in. x 36"
= approx. 352 lbs. maximum load (for actual load capacities for each size Intrinsic Laminate Lateral File contact Trendway Customer Care or visit trenddealer.com).

Note: The addition of more shelves does not increase the maximum amount a unit can be loaded.

WARNING:

Failure to observe the recommended practices, such as loading beyond listed capacities, will result in unsafe usage conditions and may result in bodily injury or failure of other components.

Any modification to Trendway product will change the criteria referenced above. Trendway will not be responsible for product warranty if modifications are made to the product or if the capacities referenced are exceeded.

Laminate Lateral Files and File Center Specifications

Intrinsic Laminate Lateral Files and Lateral File Centers are factory configured for side-to-side filing. If front-to-back filing is desired, the side-to-side filing bars may be removed. No additional parts are necessary to convert drawer to front-to-back filing.

For use with Intrinsic Laminate Lateral Files and File Center

36" - Wide

1 Pair Intrinsic Laminate Front-to-Back Filing Bars

Lateral Files

CAUTION: Any freestanding lateral file, if improperly used or loaded, can tip. Since files may contain significant weight, this tipping can result in serious damage and/or personal injury. For proper and safe performance, read and follow instructions provided with each file.

Do not attempt to open more than one lateral file drawer at a time. Do not use drawers as steps. Failure to follow these instructions may cause tipping of cabinet, resulting in personal injury.

Use counterbalance weights whenever lateral files or pedestals are not anchored or ganged back-to-back. Side-by-side ganging does not improve stability.

To avoid tipping, always load bottom drawers before loading top drawer.

Intrinsic Freestanding Components Planning

These planning guidelines provide instructions for safely configuring Intrinsic Freestanding product applications. The following diagrams illustrate the proper use of supporting elements, connecting hardware, and overhead components.

C-Leg Supports and Recessed Support Leg Kits

- In many applications, C-Legs or Recessed Support Leg Kits (ZFRL) can be used for additional support and stability (Fig. A).

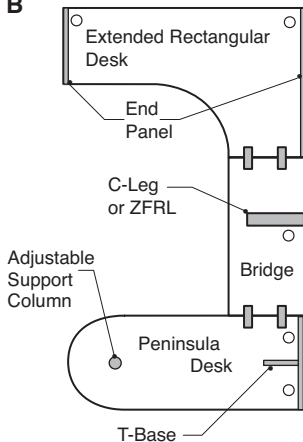

Fig. A

Peninsula P-Top and D-Top Desks

Peninsula P-Top and D-Top Desks are required to be attached to a Return or Bridge. They are not to be used as freestanding desks (Fig. B).

Fig. B

Bridges

When a 48" (1219) Bridge is attached to any desk, a Peninsula C-Leg or Recessed Support Leg Kit is required near center of Bridge. When a 36" (914) or wider Bridge is attached to an extended desk on either side, a Peninsula C-Leg or Recessed Support Leg Kit is required near the center of the Bridge (Fig. B). Bridges are shipped with all necessary attachment hardware.

Returns

Returns are non-handed and available with a full end panel or a recessed end panel. Returns are shipped with all necessary attachment hardware (Fig. C).

The recessed end panel support may not be used as an end of run support. Returns specified with the recessed end panel are designed to be used with an extended conference desk (ZFEC2448) and will allow additional leg clearance.

Fig. C

Corner Desk

The Corner Desk is required to have a Return or Bridge on at least one side. It is not a freestanding desk (Fig. D).

Fig. D

Extended Conference Desk

The Extended Conference Desk must be attached to two Returns. The recessed end panel is recommended for increased leg clearance and accessibility (Fig. E).

Fig. E

Rectangular and Bowed Front Desks

Rectangular/Credenza Desks

Returns and Bridges

Work Surfaces

The Intrinsic Freestanding work surfaces are 1" thick. Please consider this prior to attaching anything to the underside of the work surface. Using incorrectly sized mounting hardware may cause damage to the top of the work surface. It is also recommended that a pilot hole be drilled prior to fastening any mounting hardware.

Hutch Component Planning

All Hutches are attached to work surface with double-sided foam tape. All Hutches require a floor supported element (Pedestal, Lateral, File Center, Double-Door Storage Cabinet, end panel, Recessed Support Leg Kits or C-Leg) directly under each Hutch side panel. In addition, the Desk/ Credenza that the hutch is attached to is required to be attached to a Return, Bridge or be situated against a wall.

Intrinsic Freestanding Hutch and Open Hutch Placement Guide

The following illustrations show valid locations for attaching Freestanding Hutches with Doors and Open Hutches to Desk modules.

Extended Peninsula Desks P-Top and D-Top

Hutches with Doors may be placed on Extended Peninsula Desks if accompanied by proper length Return or Bridge with required floor support element (Fig. F).

Fig. F

Corner Desks

Corner Desks accept Freestanding 36" (914) Open Hutch.

Corner Desks accept 72" (1829) Hutch with properly sized Return to allow floor support under Hutch side panel.

Extended Rectangular Desks

Extended Rectangular Desks accept Hutches with Doors and Open Hutches

Rectangular Desks

Grommets

Work surface grommets are standard on all desk units, bridges and returns.

Grommets are available in black only. The following drawings show standard grommet locations.

Contact your Customer Care representative for more information.

Rectangular Desks/Credenza

The Rectangular Desk has a Thermofused Laminate top with vinyl edging. Standard features include a modesty, end panels, leveling glides and grommets. See grommet information in the planning section for standard grommet locations.

End panels are non-handed and can be field installed on either the left or right side.

Pedestals, File Centers, Pencil Drawers and other Filing and Storage units are

specified separately for maximum flexibility. These units are offered in the filing and storage section.

If using a 24" (610)-deep desk as a Credenza, the inside dimensions are 57⁵/₈" (1464) for a 60" (1524)-wide and 69⁵/₈" (1768) for a 72" (1829)-wide. Therefore, two 30" (762)-wide storage units will not fit under a ZFRD2460 and two 36" (914)-wide storage units will not fit under a ZFRD2472.

Shipped ready to assemble.

Freestanding Desks

Intrinsic Freestanding Desks have a 1" Thermofused Laminate top with a 3mm vinyl edgeband. They are available with the following top shapes: Kidney, Rectangular and Bowed. They can be configured with 4" column legs with either adjustable leveling glides or locking casters. Freestanding desks also offer multiple grommet options. See grommet information in the planning section.

Accessories include field-installed laminate and mesh modesties, steel front center drawers (CDW), pencil drawers (PDR), Pop-up Power/Data Modules (SICELECM).

Note: The Kidney shaped desk may only be used in a freestanding application. It cannot be attached to a bridge or return.

Note: Freestanding Rectangular and Bowed front desks include a steel hat section and mounting hardware that

must be installed on the underside of the worksurface.

The Freestanding Rectangular and Bowed front desks may be attached to a bridge or return when the return includes a recessed support leg (i.e. 60"-72" Returns) or when a Recessed Support Leg Kit (ZFRL) is ordered and placed within 4" of the modesty edge on the end that connects to the freestanding desk.

Shipped ready to assemble.

Laminate Modesty
The Laminate Modesty is made of 5/8" Thermofused laminate. It is available in standard Intrinsic Freestanding Thermofused laminate colors with matching edge color. The modesty should be ordered to match the style and length of the Intrinsic Freestanding Desk ordered. Modesties include mounting hardware. Freestanding Desks are pre-drilled to accommodate the modesty.

Mesh Modesty
The Mesh Modesty provides privacy with a lighter feel. The modesty is a dimensional knit of polyester with a nylon pouch for cable management. The modesty should be ordered to match the length of the Intrinsic Freestanding Desk ordered. Modesties include mounting hardware. Freestanding Desks are pre-drilled to accommodate the modesty.

Returns

Returns are designed to be used as an extension off the front edge of a Freestanding Desk, the sides of a Corner Desk or the side of a Peninsula Desk.

The Return has a rectangular Thermofused Laminate top with vinyl edging. Standard features include a modesty, end panel, leveling glides and grommet. See grommet information in the planning section for standard grommet locations. All necessary attachment hardware included.

Returns are non-handed and can be field installed on either the left or right side.

Shipped ready to assemble.

Note: Intrinsic Returns may be ordered with a 14" (356) recessed end panel for applications requiring additional leg clearance. Refer to planning guidelines for more information.

Bridges

The Bridge is designed to be used as a connection between two desks to create a U-shaped configuration. The Bridge has a rectangular Thermofused Laminate top with vinyl edging. Standard features include a modesty and grommet. See grommet information

in the planning section for standard grommet locations. All necessary attachment hardware included.

Shipped ready to assemble.

C-Leg or Recessed Support Leg Kit

The C-Leg or Recessed Support Leg Kit is required in certain applications as outlined in the planning section. The C-Leg kit is available in all Trendway standard smooth trim colors. The recessed support leg kit is available in all Intrinsic Thermofused laminate colors. All necessary attachment hardware is included.

Hutches with Doors

The Intrinsic Hutch with doors is available in a variety of widths, and is available with two door style options. Standard features include equally proportioned non-locking hinged doors (2 doors for 36" to 48" hutches and 4 doors for wider hutches), 1" (25)-thick top, full-coverage back panel with finished wire management ring at task light level, and integrated 1½" full-length cord management gap at base of the back panel.

Available accessories include full-width paper management slots, tackboard, task lights, cord management gap guard, and framed door kits.

The optional Hutch with doors and standard Low Profile paper management

slot quantities and dimensional widths are as follows:

Width	Slot qty	Slot width
36" (914)	3	10 ⁷ / ₈ " (276)
42" (1067)	3	12 ⁴ / ₈ " (325)
48" (1219)	3	14 ⁷ / ₈ " (378)
60" (1524)	5	11" (279)
66" (1676)	5	12 ¹ / ₂ " (318)
72" (1829)	5	13 ³ / ₈ " (340)

The color of the paper management option on the Hutch with doors will always match the unit color.

Note: Unit color refers to side panels, back panel and valance.

Note: Framed door option includes silver frame and choice of available insert options.

Note: All Hutches attach to work surface with double-sided foam tape. Shipped assembled.

Low-Profile Paper Management Hutch

The Low-Profile Paper Management Hutch is available in a variety of widths. Standard features include paper management slots as defined on this page, 5/8" (16) top, full-coverage back panel with finished wire management ring at task light level, and integrated 1½" full length cord management gap at base of the back panel.

Available accessories include tackboards, task lights, and cord management gap guard.

Shipped assembled.

Open Hutch

The Open Hutch is available in 30" (762) and 36" (914) widths. The units are for use above work surfaces, above the 24" (610)-deep 2-high Double Door Storage Cabinet and above the 24" (610)-deep two-drawer lateral. The open hutches have a $\frac{3}{8}$ " (10) cord pass through gap behind the shelves and a 1" (25) full length cord management gap at base of the back panel. Each unit comes standard with two adjustable shelves and necessary shelf mounting pins. Each shelf is adjustable in 2 $\frac{1}{2}$ " (64) increments.

Available accessories include additional shelves with mounting pins, tackboards and task lights.

Shipped ready to assemble.

Wall Mounted Storage Unit with Doors

The Wall Mounted Storage Unit with Doors is available in 30" (762) and 36" (914) widths. Each unit has two hinged non-locking doors. Attachment for Wall Mounted Storage Unit requires individual cabinet to be secured by a minimum of two wall mounting locations/studs.

The Wall Mounted Storage Unit is designed for installation on interior and

perimeter walls that are constructed of wood or metal studs.

Note: The back of the unit is recessed to eliminate visibility of the wall mount brackets.

Note: The unit includes mounting brackets to accommodate most installation applications. It is the responsibility of the dealer or installer to obtain any additional fasteners that may be needed to safely attach the unit to the wall.

Shipped assembled.

Tackboards

Can be mounted under Hutch with Doors or paper management, Open Hutches and Wall Mounted Storage Units.

Tackboard has a tackable panel fabric front and velcro attachment tabs.

Shipped assembled.

Note: Review Fabric Planning guidelines on page 5 to better understand directional fabric application details for Intrinsic freestanding tackboards.

Cord Management Gap Guard

The Cord Management Gap Guard bridges the open space between a hutch back and the top of the work surface below. Made of flexible material, it allows easy passage of electrical and data cables. The Cord Management Gap Guard is attached with adhesive tape (included). The Gap Guards are sized to fit on the Intrinsic Hutch with Doors. Find your correct corresponding sizes and catalog numbers on page 36. The

Cord Management Gap Guard can also be cut to size to be used on all other hutches. Available in black only.

Shown with one adjustable shelf removed

Laminate Mobile Pedestal Cushion Top Kit

The Pedestal Cushion Top Kit includes upholstered cushion and four attached velcro tabs to affix cushion to mobile pedestal.

Pedestal Pencil Tray

The Pencil Tray organizes small items in both the 6" (152) and 12" (305) Intrinsic Pedestal drawers and Lateral File Center drawers.

Available in black only.

Laminate Pedestal Side-to-Side Filing Bars

Side-to-Side Filing Bars convert Intrinsic Laminite 12" Pedestal and storage tower drawers to side-to-side or legal-size filing.

Available in black only.

Laminate Two-Drawer Lateral Files
 The Intrinsic Laminate Two-Drawer Lateral Files include full extension ball bearing slides, an interlock mechanism that allows only one drawer to open at a time, side-to-side filing bars, front-to-back filing bars and leveling glides. Drawers accommodate side-to-side letter, A4, legal and EDP filing.

The 18" (457)-deep lateral files are intended for use under work surfaces and may not be used in freestanding applications. The 24" (610)-deep, full-depth lateral is a freestanding element.

Shipped assembled.

Laminate Combination Lateral File Center
 The Laminate Combination Lateral File Center combines the functionality of a pedestal and the lateral file into a single cabinet that fits below a work surface. The lateral file center has a handed drawer configuration as shown below.

The laminate file center includes full extension ball bearing slides, side-to-side filing bars and front-to-back filing bars in the lateral drawer, one pencil tray and leveling glides.

The laminate file center is intended for use under a work surface and may not be used in freestanding applications.

One lock secures the 12" file drawer and lateral drawer. The 6" box drawers are non-locking.

Shipped assembled.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic filing unit to lock. The Core/Key set (ZFLCK) must be ordered separately or by using the keying order form.

Laminate Double-Door Storage Cabinets

The Laminate Double-Door Storage cabinet is available in two depths (18" and 24") and two heights, two- and five-high.

Features include hinged locking double-doors with one adjustable shelf in the two-high unit and three adjustable shelves in the five-high unit. Shelves adjust vertically in 2 1/2" increments. Units also includes leveling glides.

Available accessories include additional Double-Door Storage Shelves and wardrobe bars.

Note: The 18" (457)-deep Double-Door Storage Cabinet is intended for use under the work surface and may not be used in freestanding applications. The 24" (610)-deep Double-Door Storage Cabinet is a freestanding element.

Shipped assembled.

Laminate Wardrobe Storage Cabinet

The Laminate Wardrobe Storage cabinet is available as a five-high unit. Features include hinged locking double-doors, one shelf, a full-width wardrobe bar and leveling glides.

Available accessories include Double-Door Storage shelves.

Shipped assembled.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic filing unit to lock. The Core/Key set (ZFLCK) must be ordered separately or by using the keying order form. Check Customer Care for availability.

Intrinsic Storage Credenzas

The Intrinsic Storage Credenzas come in three configurations, each with a unified Thermofused Laminate top. The **lateral units** include full extension ball bearing slides, an interlock mechanism (for each 2-drawer unit) allowing only one drawer to open at a time, side-to-side filing bars, front-to-back filing bars and leveling glides. Drawers accommodate side-to-side letter, A4, legal and EDP filing. The **double-door units** include hinged locking double doors with one adjustable shelf and leveling glides. Shelves adjust vertically in 2¹/₂" increments.

Note: The storage credenza with a double-door and lateral unit (ZFSC2LATDD) is unhandled. Therefore, storage components can be placed on the left or right depending on user preference.

All versions ship in three pieces and require some assembly.

Laminate Bookcases

The Bookcase is complete with laminate top and base with leveling glides. The Two-high cases have one adjustable shelf. The three-high case has two adjustable shelves. The four-high case has two adjustable shelves and one fixed shelf. The five-high cases have three adjustable shelves and one fixed shelf (see picture). The shelves are 1" (25)-thick, and adjust in 2 1/2" (64) increments. Two, and three-high bookcase heights are designed to accommodate standard binders on all

shelves. The four-high bookcase will only accommodate binder storage on three of the four shelves and the five-high on four of the five shelves.

Additional Bookcase Shelves are available.

Note: Fixed shelf on four and five-high Bookcases is fixed at work surface height.

Shipped ready to assemble.

Intrinsic Executive Freestanding Overview

Intrinsic Executive brings a premium look to the executive suite. Featuring generous 1 1/2" embossed High-Pressure Laminate work surfaces and filing/storage tops. Executive is offered with a choice of decorative fluted or simple flat edge band. Models are available in all current Intrinsic Freestanding colors.

Ordering Information

For ease in specifying, Trendway's catalog numbering system uses meaningful characters to convey description, surface type, and size. For example, ZEFCD2436 represents an Intrinsic **E**xecutive **C**orner **D**esk, **24"** (610)-deep by **36"** (762)-wide.

By following the Sample Part Number Example at the bottom of each page, you create a Part Number for each product. This Part Number will match your acknowledgement and packing slip.

When ordering filing and storage units, list the following:

- 1. Quantity (combine same products)
- 2. Complete Part Number, see Sample Part Number at the bottom of each page for correct number sequence.
- 3. For ease of reading, place a period between each option number (ZEFERDR427230.F.XS.XZ1.XZ1.XZ4).

Intrinsic Key Option

Intrinsic Laminate filing and storage units have two lock options to choose from. Units can be randomly keyed (option "R") or they can be key-alike (option "T") for no additional upcharge (see Page 9 for more information). When the randomly keyed option "R" is chosen the Intrinsic Laminate filing and storage unit will ship with a randomly numbered core/key.

When the key-alike option "T" is chosen the Intrinsic Laminate filing unit will ship with a "disposable" core in place of the core/key and the specified Intrinsic Core/Key set(s) will be packaged separately for field installation. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic Laminate filing unit to lock. The Core/Key set (ZFLCK) must be ordered separately or by using the Intrinsic Keying order form.

STANDARD FEATURES

Modesties

Modesty panels are available as full-height or half-height. Half-height modesties provide 12" (305) of space under the modesty for accessing wall outlets.

End Panels and Supports

Desks come with full depth end panels or Adjustable Support Column and T-base (Peninsula and Extended Conference desks only). Returns come with a full or recessed end panel.

Edgebanding

All components are finished with a thick PVC edgebanding. The edgeband color will always match the color of the Thermofused Laminate. All work surfaces and storage component tops have 3mm edgebanding. All remaining components have 1mm edgebanding. The Intrinsic Executive Freestanding product offering is available with optional fluted detail or flat.

Fluted Edge Band

Wire Management

All desks, credenzas, returns, bridges, and reception stations are equipped, at work surface level, with one or multiple grommets. An optional grommet is available for field installation in all modesty panels. Grommets are available in black only.

Drawers

All drawers are built for trouble-free performance:

- Chrome plated fully progressive ball bearing suspensions with over-travel on all lateral file drawers with 150 lbs rated load capacity.
- Chrome plated ball bearing suspensions on all box drawers and file drawers with 75 lbs rated load capacity.
- Drawer construction is laminated particleboard sides with MDF bottom.
- Integrated PVC top rails for file storage on lateral drawers and 12" pedestal drawers.
- Interlock standard on all freestanding laterals.

Doors

Hutch and Storage doors have 95 degree hinges and shock absorbent bumpers.

Leveling Glides

Desks, Credenzas, Returns, Bridges, Reception Stations, Tables and Bookcases allow up to 1" height adjustment.

Pedestals, Laterals, File Centers, Storage Cabinets and Towers allow up to 1⁵/₈" height adjustment, and are adjustable from inside the storage unit.

Work Surfaces and Tops

Intrinsic Executive Freestanding work surfaces and tops are constructed of 1¹/₂" High-Pressure Laminate.

Pull Style Options

Intrinsic Executive Laminate Freestanding filing and storage units have four 128mm center applied pull options (Classic, Streamline, Designer, and Mod2) and one 256mm center pull (Modern). These are all plated nickel finish.

Classic
(Satin nickel)

Streamline
(Brushed nickel)

Designer
(Lacquered satin nickel)

Mod2
(Satin nickel)

Modern
(Satin nickel)

Dimensions

All dimensions listed are nominal unless otherwise noted.

Certification

All components of the Intrinsic Freestanding offering meet or exceed ANSI/BIFMA x5.6-2016 performance standards unless noted.

Special Products and Finishes

Please contact Trendway Custom Solutions 1-800-893-8117 for product availability and pricing on non-standard products.

Special finishes (i.e. non-standard) may be ordered at an upcharge. Minimum quantity may be required. Please verify with our Custom Solutions Department. Delivery may take longer depending on the choice of finish or type of material.

SPECIFICATIONS

Load Capacities

All Intrinsic Laminate filing units meet or exceed the following load requirements. For a complete listing of load capacities, contact Trendway Customer Care or visit trenddealer.com

Desks:

5 lbs. (2.3kg) per linear inch, uniformly distributed.

Hutches and Bookcases:

3 lbs. (1.4kg) per linear inch of usable space.
Overhead Storage Units: Inside — 3 lbs. (1.4kg) per linear inch.
Top — 2 lbs. (.9kg) per linear inch of usable space.

Pedestal:

6" (152) Pedestal Drawer — 20 lbs. (9kg)
12" (305) Pedestal Drawer — 40 lbs. (18kg)
Top — 90 lbs. (41kg)

Laterals:

Drawer — approx. 2.6 lbs. (1.17kg) per linear inch
Top — approx. 4.6 lbs. (2.1kg) per linear inch

Storage Towers:

6" (152) Pedestal Drawer — 20 lbs. (9kg)
12" (305) Pedestal Drawer — 40 lbs. (18kg)
Top — 140 lbs. (64kg)
Wardrobe Shelf — 30 lbs. (14kg)
Wardrobe Bottom — 50 lbs. (23kg)
Cupboard Shelf — 60 lbs. (27kg)
Cupboard Bottom — 90 lbs. (41kg)
Coat Rod — 55 lbs. (25kg)

Double-Door Storage Units:

Shelf — 100 lbs. (45kg)
Top — 160 lbs. (73kg)
Bottom of Cabinet — 160 lbs. (73kg)
Coat Rod — 55 lbs. (25kg)

Tables:

36" (914) - 60" (1524) — 200 lbs. (276kg)
72"(1829) and longer — 400 lbs. (552kg)

Reception Stations:

Counter Caps: 3.5 lbs. (1.6kg) per linear inch, uniformly distributed.

Maximum Load Capacity For Any Storage Unit

The maximum load capacity for any storage unit is calculated by multiplying the above stated lbs. for each shelf or drawer that is included with the unit and adding them together (includes the top of the unit and the inside bottom).

Eg: Maximum load capacity for a ZEFDDF536 = load capacity for bottom + 3 shelves + unit top
= 160 lbs. + 100 lbs. x 3 + 160 lbs.
= 620 lbs. maximum load

Eg: Maximum load capacity for a ZEFLATF236 = load capacity for drawer x 2 drawers + unit top
= 2.6 lbs./linear in. x 36" x 2 + 4.6lbs./linear in. x 36"
= approx. 352 lbs. maximum load (for actual load capacities for each size Intrinsic Laminate Lateral File contact Trendway Customer Care or visit trenddealer.com).

Note: The addition of more shelves does not increase the maximum amount a unit can be loaded.

WARNING:

Failure to observe the recommended practices, such as loading beyond listed capacities, will result in unsafe usage conditions and may result in bodily injury or failure of other components.

Any modification to Trendway product will change the criteria referenced above. Trendway will not be responsible for product warranty if modifications are made to the product or if the capacities referenced are exceeded.

Laminate Lateral Files and File Center Specifications

Intrinsic Laminate Lateral Files and Lateral File Centers are factory configured for side-to-side filing. If front-to-back filing is desired, the side-to-side filing bars may be removed. No additional parts are necessary to convert drawer to front-to-back filing.

For use with Intrinsic Laminate Lateral Files and File Center Letter Size Filing

30" - Wide & File Center

1 Pair Intrinsic Laminate Front-to-Back Filing Bars

30" - Wide & File Center

1 Intrinsic Laminate Front-to-Back Filing Bar

36" - Wide

1 Pair Intrinsic Laminate Front-to-Back Filing Bars

36" - Wide

1 Pair Intrinsic Laminate Front-to-Back Filing Bars

Lateral Files

CAUTION: Any freestanding lateral file, if improperly used or loaded, can tip. Since files may contain significant weight, this tipping can result in serious damage and/or personal injury. For proper and safe performance, read and follow instructions provided with each file.

Do not attempt to open more than one lateral file drawer at a time. Do not use drawers as steps. Failure to follow these instructions may cause tipping of cabinet, resulting in personal injury.

Use counterbalance weights whenever lateral files or pedestals are not anchored or ganged back-to-back. Side-by-side ganging does not improve stability.

To avoid tipping, always load bottom drawers before loading top drawer.

Intrinsic Executive Freestanding Components Planning

These planning guidelines provide instructions for safely configuring Intrinsic Executive Freestanding product applications. The following diagrams illustrate the proper use of supporting elements, connecting hardware, and overhead components.

C-Leg Supports and Recessed Support Leg Kits

- In many applications, C-Legs or Recessed Support Leg Kits (ZFRL) can be used for additional support and stability (Fig. A).

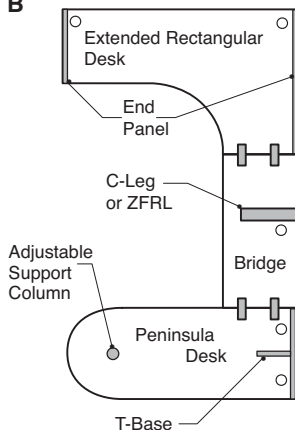

Fig. A

Peninsula P-Top and D-Top Desks

Peninsula P-Top and D-Top Desks are required to be attached to a Return or Bridge. They are not to be used as freestanding desks (Fig. B).

Fig. B

Bridges

When a 48" (1219) Bridge is attached to any desk, a Peninsula C-Leg or Recessed Support Leg Kit is required near center of Bridge. When a 36" (914) or wider Bridge is attached to an extended desk on either side, a Peninsula C-Leg or Recessed Support Leg Kit is required near the center of the Bridge (Fig. B). Bridges are shipped with all necessary attachment hardware.

Returns

Returns are non-handed and available with a full end panel or a recessed end panel. Returns are shipped with all necessary attachment hardware (Fig. C).

The recessed end panel support may not be used as an end of run support. Returns specified with the recessed end panel are designed to be used with an extended conference desk (ZEFEC2448) and will allow additional leg clearance.

Fig. C

Corner Desk

The Corner Desk is required to have a Return or Bridge on at least one side. It is not a freestanding desk (Fig. D).

Fig. D

Extended Conference Desk

The Extended Conference Desk must be attached to two Returns. The recessed end panel is recommended for increased leg clearance and accessibility (Fig. E).

Fig. E

Rectangular and Bowed Front Desks

Rectangular/Credenza Desks

Returns and Bridges

Work Surfaces

The standard Intrinsic Freestanding work surfaces are 1" thick. Please consider this prior to attaching anything to the underside of the work surface. Using incorrectly sized mounting hardware may cause damage to the top of the work surface. It is also recommended that a pilot hole be drilled prior to fastening any mounting hardware.

The Intrinsic Executive Freestanding work surfaces are 1 1/2" thick.

The nominal height of the top of the standard Intrinsic Freestanding product is 28 3/4" (730). The nominal height of the top of the Intrinsic Executive Freestanding offering is 29 1/4" (743).

Intrinsic standard work surfaces and Executive work surfaces are not designed or intended to be used together in the same office configuration.

Hutch Component Planning

All Hutches are attached to work surface with double-sided foam tape. All Hutches require a floor supported element (Pedestal, Lateral, File Center, Double-Door Storage Cabinet, end panel, Recessed Support Leg Kits or C-Leg) directly under each Hutch side panel. In addition, the Desk/ Credenza that the hutch is attached to is required to be attached to a Return, Bridge or be situated against a wall.

Intrinsic Freestanding Hutch and Open Hutch Placement Guide

The following illustrations show valid locations for attaching Freestanding Hutches with Doors and Open Hutches to Desk modules.

Extended Peninsula Desks P-Top and D-Top

Hutches with Doors may be placed on Extended Peninsula Desks if accompanied by proper length Return or Bridge with required floor support element (Fig. F).

Fig. F

Rectangular Desks

Note: The overall height of the Intrinsic Executive Hutches is the same as the standard Intrinsic Hutches, but the Executive top is 1 1/2" thick and the standard top is 1" thick. The side panels and back panel of the Executive Freestanding Hutches have been shortened by 1/2" to allow a consistent overall height of stacked components and shared storage units between offerings.

Corner Desks

Corner Desks accept Freestanding 36" (914) Open Hutch.

Corner Desks accept 72" (1829) Hutch with properly sized Return to allow floor support under Hutch side panel.

Extended Rectangular Desks

Extended Rectangular Desks accept Hutches with Doors and Open Hutches

Grommets

Work surface grommets are standard on all desk units, bridges and returns.

Grommets are available in black only. The following drawings show standard grommet locations.

Contact your Customer Care representative for more information.

Grommet Dimensions

Standard Grommet Locations

Rectangular/Credenza and Bowed Front Desks

Freestanding Rectangular and Bowed Front Desks

Freestanding Kidney Desks

D-Shaped Peninsula Desks

P-Shaped Peninsula Desks

Extended D- and P-Shaped Peninsula Desks

Corner Desks

Returns/Bridges

Extended Rectangular/Credenza Desks

Executive Rectangular Desks/Credenza

The Rectangular Desk has a High-Pressure Laminate top with vinyl edging. Standard features include a modesty, end panels, leveling glides and grommets. See grommet information in the planning section for standard grommet locations.

End panels are non-handed and can be field installed on either the left or right side.

Pedestals, File Centers, Pencil Drawers and other Filing and Storage units are specified separately for maximum

flexibility. These units are offered in the filing and storage section.

If using a 24" (610)-deep desk as a Credenza, the inside dimensions are 57⁵/₈" (1464) for a 60" (1524)-wide and 69⁵/₈" (1768) for a 72" (1829)-wide. Therefore, two 30" (762)-wide storage units will not fit under a ZEFRD2460 and two 36" (914)-wide storage units will not fit under a ZEFRD2472.

Shipped ready to assemble.

Note: The Intrinsic Executive Freestanding Desk work surface is 1/2" higher than the standard Intrinsic work surface. Refer to planning guidelines for more information.

Executive D-Top Peninsula Desks

D-Top Peninsula and Extended D-Top Peninsula Desks have High-Pressure Laminate D shaped top with vinyl edging. Standard features include a T-base support with adjustable height support column, or a modesty with end panels, leveling glides and grommets. See grommet information in the planning section for standard grommet locations.

D-Top Peninsula Desks are non-handed and Extended D-Top Peninsula Desks are handed.

If T-Base is chosen, specify a trim color for the support column.

Note: A D-Top Peninsula Desk must be connected to other Executive Freestanding units for proper stability. Refer to planning guidelines for more information.

Pedestals, File Centers, Pencil Drawers and other Filing and Storage units are specified separately for maximum flexibility. These units are offered in the filing and storage section.

Shipped ready to assemble.

Note: The Intrinsic Executive Freestanding Desk work surface is 1/2" higher than the standard Intrinsic work surface. Refer to planning guidelines for more information.

Executive P-Top Peninsula Desks

P-Top Peninsula and Extended P-Top Peninsula Desks have High-Pressure Laminate P shaped top with vinyl edging. Standard features include a T-base support with adjustable height support column, or a modesty with end panels, leveling glides and grommets. See grommet information in the planning section for standard grommet locations.

If T-Base is chosen, specify a trim color for the support column.

Note: A P-Top Peninsula Desk must be connected to other Freestanding units for proper stability.

Pedestals, File Centers, Pencil Drawers and other Filing and Storage units are specified separately for maximum flexibility. These units are offered in the filing and storage section.

Shipped ready to assemble.

Note: The Intrinsic Executive Freestanding Desk work surface is 1/2" higher than the standard Intrinsic work surface. Refer to planning guidelines for more information.

Executive Freestanding Desks

Intrinsic Freestanding Desks have a 1½" High-Pressure Laminate top with a 3mm matched vinyl edgeband. They are available with the following top shapes: Kidney, Rectangular and Bowed. They can be configured with 4" column legs with either adjustable leveling glides or locking casters. Freestanding desks also offer multiple grommet options. See grommet information in the planning section.

Accessories include field-installed laminate and mesh modesties, steel front center drawers (CDW),

pencil drawers (PDR), Pop-up Power/Data Modules (SICELECM).

Note: The Kidney shaped desk may only be used in a freestanding application. It cannot be attached to a bridge or return.

Note: Freestanding Rectangular and Bowed front desks include a steel hat section and mounting hardware that must be installed on the underside of the worksurface.

The Freestanding Rectangular and Bowed front desks may be attached to

a bridge or return when the return includes a recessed support leg (i.e. 60"-72" Returns) or when a Recessed Support Leg Kit (ZFRL) is ordered and placed within 4" of the modesty edge on the end that connects to the freestanding desk.

Shipped ready to assemble.

Note: The Intrinsic Executive Freestanding Desk work surface is 1½" higher than the standard Intrinsic work surface. Refer to planning guidelines for more information.

Laminate Modesty

The Laminate Modesty is made of 5/8" Thermofused laminate. It is available in the five standard Intrinsic Freestanding Thermofused laminate colors with matching edge color. The modesty should be ordered to match the style and length of the Intrinsic Freestanding Desk ordered. Modesties include mounting hardware. Freestanding Desks are pre-drilled to accommodate the modesty.

Mesh Modesty

The Mesh Modesty provides privacy with a lighter feel. The modesty is a dimensional knit of polyester with a nylon pouch for cable management. The modesty should be ordered to match the length of the Intrinsic Freestanding Desk ordered. Modesties include mounting hardware. Freestanding Desks are pre-drilled to accommodate the modesty.

Executive Hutches with Doors

The Intrinsic Hutch with doors is available in a variety of widths, and is available with two door style options. Standard features include equally proportioned non-locking hinged doors (2 doors for 36" to 48" hutches and 4 doors for wider hutches), 1 1/2" (25)-thick top, full-coverage back panel with finished wire management ring at task light level, and integrated 1 1/2" full-length cord management gap at base of the back panel.

Available accessories include full-width paper management slots, tackboard, task lights, cord management gap guard, and framed door kits.

The optional Hutch with doors and standard Low Profile paper management

slot quantities and dimensional widths are as follows:

Width	Slot qty	Slot width
36" (914)	3	10 7/8" (276)
42" (1067)	3	12 1/8" (325)
48" (1219)	3	14 7/8" (378)
60" (1524)	5	11" (279)
66" (1676)	5	12 1/2" (318)
72" (1829)	5	13 3/8" (340)

The color of the paper management option on the Hutch with doors will always match the unit color.

Note: Unit color refers to side panels, back panel and valance.

Note: Framed door option includes silver frame and choice of available insert options.

Note: All Hutches attach to work surface with double-sided foam tape. Shipped assembled.

Low-Profile Paper Management Hutch

The Low-Profile Paper Management Hutch is available in a variety of widths. Standard features include paper management slots as defined on this page, 1 1/2" (38) top, full-coverage back panel with finished wire management ring at task light level, and integrated 1 1/2" full length cord management gap at base of the back panel.

Available accessories include tackboards, task lights, and cord management gap guard.

Shipped assembled.

Executive Open Hutch

The Open Hutch is available in 30" (762) and 36" (914) widths. The units are for use above work surfaces, above the 24" (610)-deep 2-high Double Door Storage Cabinet and above the 24" (610)-deep two-drawer lateral. The open hutches have a 3/8" (10) cord pass through gap behind the shelves and a 1" (25) full length cord management gap at base of the back panel. Each unit comes standard with two adjustable shelves and necessary shelf mounting pins. Each shelf is adjustable in 2 1/2" (64) increments.

Available accessories include additional shelves with mounting pins, tackboards and task lights.

Shipped ready to assemble.

Executive Wall Mounted Storage Unit with Doors

The Wall Mounted Storage Unit with Doors is available in 30" (762) and 36" (914) widths. Each unit has two hinged non-locking doors. Attachment for Wall Mounted Storage Unit requires individual cabinet to be secured by a minimum of two wall mounting locations/studs.

The Wall Mounted Storage Unit is

designed for installation on interior and perimeter walls that are constructed of wood or metal studs.

Note: The back of the unit is recessed to eliminate visibility of the wall mount brackets.

Note: The unit includes mounting brackets to accommodate most installation applications. It is the responsibility of the dealer or installer to obtain any additional fasteners that may be needed to safely attach the unit to the wall.

Shipped assembled.

Tackboards

Can be mounted under Executive Hutch with Doors or paper management, Executive Open Hutches and Executive Wall Mounted Storage Units.

Tackboard has a tackable panel fabric front and velcro attachment tabs.

Shipped assembled.

Note: Review Fabric Planning guidelines on page 5 to better understand directional fabric application details for Intrinsic freestanding tackboards.

Cord Management Gap Guard

The Cord Management Gap Guard bridges the open space between a hutch back and the top of the work surface below. Made of flexible material, it allows easy passage of electrical and data cables. The Cord Management Gap Guard is attached with adhesive tape (included). The Gap Guards are sized to fit on the Intrinsic Hutch with Doors. Find your correct corresponding sizes and catalog numbers on Page 74. The

Cord Management Gap Guard can also be cut to size to be used on all other hutches. Available in black only.

INTRINSIC LAMINATE PEDESTALS

When the key-alike lock option “T” is chosen, the Core/Key Set (ZFLCK) must be ordered separately or by using the Keying Order Form.

Shipped assembled.

Laminate Modular Pedestals

The Intrinsic Laminate Modular Pedestal is designed to be used beneath the work top.

Intrinsic Laminate Pedestals offer two drawer configurations: 12/12 with two 12" drawers or 6/6/12 with two 6" and

one 12" drawer. 6/6/12 Pedestals include one pencil tray.

The Laminate Modular Pedestal has full extension ball bearing slides on both 6" and 12" drawers and includes lockable drawers and leveling glides.

Available accessories include Laminate Modular Freestanding Pedestal Conversion Kit, Side-to-Side Filing Bars and additional Pencil Trays.

Executive Laminate ³/₄ Mobile Pedestal

The Intrinsic Laminate Mobile ^{3/4} Pedestal is designed with a full skirt that conceals the pedestal's casters. The ^{3/4} Pedestal has full extension ball bearing slides on both 6" and 12" drawers and includes lockable drawers, one pencil tray, four casters and counterbalance weight.

Available accessories include Side-to-Side Filing bars and Cushion Top.

Note: The Executive ³/₄ Mobile Pedestal has 1¹/₂" thick High-Pressure Laminate top.

Intrinsic Laminate Modular Pedestals

Note: The Intrinsic Modular Pedestals are designed for use with Executive and standard Intrinsic office configurations.

Laminate Mobile Pedestal Cushion Top Kit

The Pedestal Cushion Top Kit includes upholstered cushion and four attached velcro tabs to affix cushion to mobile pedestal.

Pedestal Pencil Tray

The Pencil Tray organizes small items in both the 6" (152) and 12" (305) Intrinsic Pedestal drawers and Lateral File Center drawers.

Available in black only.

Laminate Pedestal Side-to-Side Filing Bars

Side-to-Side Filing Bars convert Intrinsic Laminate 12" Pedestal and storage tower drawers to side-to-side or legal-size filing.

Available in black only.

Laminate Two-Drawer Lateral Files

The Intrinsic Laminate Two-Drawer Lateral Files include full extension ball bearing slides, an interlock mechanism that allows only one drawer to open at a time, side-to-side filing bars, front-to-back filing bars and leveling glides. Drawers accommodate side-to-side letter, A4, legal and EDP filing.

The 18" (457)-deep lateral files are intended for use under work surfaces and may not be used in freestanding applications. The Executive 24" (610)-deep, full-depth lateral is a freestanding element.

Shipped assembled.

Laminate Combination Lateral File Center

The Laminate Combination Lateral File Center combines the functionality of a pedestal and the lateral file into a single cabinet that fits below a work surface. The lateral file center has a handed drawer configuration as shown below.

The laminate file center includes full extension ball bearing slides, side-to-side filing bars and front-to-back filing bars in the lateral drawer, one pencil tray and leveling glides.

The laminate file center is intended for use under a work surface and may not be used in freestanding applications.

One lock secures the 12" file drawer and lateral drawer. The 6" box drawers are non-locking.

Shipped assembled.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic filing unit to lock. The Core/Key set (ZFLCK) must be ordered separately or by using the keying order form.

Laminate Double-Door Storage Cabinets

The Laminate Double-Door Storage cabinet is available in two depths (18" and 24") and two heights, two- and five-high.

Features include hinged locking double-doors with one adjustable shelf in the two-high unit and three adjustable shelves in the five-high unit. Shelves adjust vertically in 2 1/2" increments. Units also includes leveling glides.

Available accessories include additional Double-Door Storage Shelves and wardrobe bars.

Note: The 18" (457)-deep Double-Door Storage Cabinet is intended for use under the work surface and may not be used in freestanding applications. The Executive 24" (610)-deep Double-Door Storage Cabinet is a freestanding element.

Shipped assembled.

Executive Laminate Wardrobe Storage Cabinet

The Laminate Wardrobe Storage cabinet is available as a five-high unit. Features include hinged locking double-doors, one shelf, a full-width wardrobe bar and leveling glides.

Available accessories include Double-Door Storage shelves.

Shipped assembled.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic filing unit to lock. The Core/Key set (ZFLCK) must be ordered separately or by using the keying order form. Check Customer Care for availability.

Executive Storage Credenzas

The Intrinsic Storage Credenzas come in three configurations, each with a unified High-Pressure Laminate top. The **lateral units** include full extension ball bearing slides, an interlock mechanism (for each 2-drawer unit) allowing only one drawer to open at a time, side-to-side filing bars, front-to-back filing bars and leveling glides. Drawers accommodate side-to-side letter, A4, legal and EDP filing. The **double-door units** include hinged locking double doors with one adjustable shelf and leveling glides. Shelves adjust vertically in 2¹/₂" increments.

Note: The storage credenza with a double-door and lateral unit (ZEFSC2LATDD) is unhandled. Therefore, storage components can be placed on the left or right depending on user preference.

All versions ship in three pieces and require some assembly.

Note: The Executive Storage Credenzas have a 1¹/₂" thick High-Pressure Laminate top.

Executive Laminate Storage Towers

The Laminate Storage Tower provides wardrobe, drawer and cupboard storage in a single cabinet. Each of these storage areas can be locked independently to allow for varying levels of security. Storage Towers are available in either a Right-Hand version with the wardrobe on the right side, or a Left-Hand version with the wardrobe on the left side.

Storage Towers have adjustable leveling glides. The wardrobe unit includes a wardrobe bar and one adjustable

shelf. The cupboard unit includes two adjustable shelves. Shelves adjust vertically in 2 1/2" (64) increments. The pedestals have full extension ball bearing slides on both 6" and 12" drawers. 6/6/12 pedestals include one pencil tray.

Available accessories include, side-to-side filing bars, additional shelves, and a pencil tray.

Shipped assembled.

Note: The Executive Storage Towers have a 1 1/2" thick High-Pressure Laminate top.

When the key-alike lock option "T" is chosen a "disposable" core is assembled in the filing unit to temporarily secure the drawers and doors for transit. The "disposable" core must be field replaced with an Intrinsic Core/Key set in order for the Intrinsic filing unit to lock. The Core/Key set (ZFLCK) must be ordered separately or by using the keying order form. Check Customer Care for availability.

Intrinsic Freestanding Accessories

Accessories [90](#)

LED Lighting & Task Lights [94](#)

Horizontal Wire Manager

The Horizontal Wire Manager accommodates electrical cords and communication cables. It attaches under all work tops and desks. Includes mounting hardware.

Available in black only.

Vertical Wire Channel

The Vertical Wire Channel encloses power or light cords on the face of a panel. It attaches to back panel with self-adhesive backing. Packaged in boxes of three.

Grommet for Modesty Panel

The Modesty Grommet is available for situations that require additional wire management through any modesty or back panel. All modesty panel grommets must be field installed.

Available in black only.

Grommet for Work Surface

The Work Surface Grommet is available for situations that require grommets in addition to those that are standard on all desks or as replacements.

Available in black only.

Intrinsic Freestanding Assembly Tool
The Intrinsic Freestanding Assembly Tool makes assembling freestanding products much easier. The tool fits into a power driver chuck and provides a guide for driving quarter-turn cam pins into Thermofused Laminate surfaces. This tool will save you time during the installation process, and reduce laminate surface chipping.

Intrinsic Freestanding Touch Up Markers
The Touch Up Markers are for use with the Thermofused Laminate. They are available individually or as a kit. The kit includes one marker of each color.

LED Task Lights

Ultra slim LED task lights are only 2" (51)-wide, just over 1/2" high and available in 3 widths-17, 31 and 44. They come complete with hardware to attach to both metal flipper doors and laminate freestanding hutches. All LED task lights include a dimmer, 10 hour auto shut off, and a 50,000 hour life span. The unit is anodized aluminum with white end caps. ETL listed.

LED Task Light Complete

The LED Task Light Complete includes the light, mounting hardware and power source. It is the equivalent of a regular fluorescent task light.

LED Task Light Main Power Daisy Chain

The Task light with main power provides the light and mounting hardware plus a 60 watt power supply capable of powering more than one light. The power supply can accommodate a maximum of 60 watts. Please see the chart for appropriate wattages as to not overload the power supply.

Width	Watts
17	9
31	18
44	25

LED Task Light Daisy Chain Jumper Cord

The LED Daisy Chain Jumper Cord Task Light includes the light and mounting hardware, plus an 8" and 30" jumper cord to attach to another task light. The jumper cord can attach to a Daisy Chain Main Power Task Light or another Daisy Chain Jumper Cord Task Light. Each connected light will have an independent power switch.

LED Task Light Occupancy Sensor

The LED Occupancy Sensor will automatically turn off all interlinked fixtures after 30 minutes of no movement. One occupancy sensor can 'control' all the lights that are daisy chained together.

Terms & Policies

Terms & Policies [96](#)

1. Prices

Prices shown in this price list are F.O.B. origin, freight prepaid, in the contiguous United States. Trendway Corporation reserves the right to change prices without notice. Trendway may implement price changes effective at time of shipment if shipping date is more than 120 days from date written order was received by Trendway.

Pricing for shipments outside the contiguous United States will be based on the port of departure. Freight will be prepaid to port of departure.

List prices include coverage of prepaid standard, Trendway-specified freight cost.

2. Order Placement

Trendway Corporation requires all orders to be submitted electronically via on-line order entry at www.trenddealer.com, or in writing following Ordering Procedures on page 1. Trendway recommends using design software for larger projects which allows the dealer to design, specify, and enter an order more efficiently and accurately which will assure completeness and avoid errors and duplications. The Buyer assumes all responsibility for the correct content of any order which has been acknowledged.

3. Confirmation

Upon receiving an order, Trendway Corporation will send an acknowledgement with exact pricing information and scheduled shipping date. Orders can also be confirmed on-line at www.trenddealer.com. Customer is responsible for checking acknowledgements to ensure that the order is correct. Order will be processed as acknowledged.

4. Lead-Times

Trendway Corporation reserves the right to alter lead times as demand for products fluctuate. Stated lead-times begin after a complete order is entered and scheduled. Shipments are subject to product availability. Special products and larger orders may extend lead-times. Orders placed by dealers without a requested delivery date will be assigned a delivery date of 4 weeks for standard product orders and 6 weeks for custom product orders. Please contact your customer care representative for exact lead-times.

5. Buyer's Credit

If, in the judgment of Trendway, the financial condition of the Buyer at any time does not justify the terms specified, Trendway may at any time by notice to the Buyer require prepayment or other terms of payment differing from those specified in Section

8 or other satisfactory security to insure prompt payment of invoices.

6. Order Changes

To change an order, the customer must call Trendway Customer Care for order status. If approved, the customer must confirm the changes in writing to Trendway Corporation. Customer agrees to accept any and all charges involved in altering an order. This includes payment, determined by Trendway, for product already in production. Changes in orders also may result in delayed shipments.

7. Cancellation

All cancellations must be approved by Trendway Corporation. **Orders in production cannot be cancelled without incurring substantial or full purchase price.** Customers shall agree to accept any and all charges involved in the cancellation transaction, as determined by Trendway. Non-standard items may not be cancelled.

8. Terms of Sale

Terms of sale on all invoices to approved Trendway customers are Net 30 days from date of invoice. These terms may be changed at any time by Trendway Corporation based on credit rating information available on specific customers. Payment in advance may be requested at the discretion of Trendway without explanation.

9. Taxes

Prices listed do not include any federal, state, local, or other taxes. Purchaser agrees to pay or reimburse any such taxes that Trendway Corporation, Trendway Corporation subcontractors, or suppliers are required to pay. For shipments to AZ, CA, CO, DC, FL, GA, IL, IN, KS, MA, MI, MN, MS, NJ, NY, OH, PA, TX and Canada, add appropriate tax rate. All authorized dealers should ensure that a resale exemption certificate is on file with Trendway Corporation.

10. Past-Due Accounts

Past-due accounts will be charged 1.5% per month. This is an annual rate of 18% or the highest legal rate on the unpaid balance. The purchaser agrees to pay all collection agency fees, court costs, and/or reasonable attorney fees incurred by Trendway in the collection of past-due balances.

11. Customer's Own Material (COM)

The Trendway COM program allows customers to use special materials. By complying with the COM testing for manufacturability procedure in the steps below, Trendway will be able to identify if your material is appropriate for application to the products you specify.

To comply with the COM process, please follow these steps:

1. Select the COM material.
2. Check first with www.trenddealer.com/COM Library, to determine if this material has already passed testing for manufacturability on the intended product.
3. If the material is pre-approved in the COM Library, customer must submit a *COM Order Submission Form* (available from Trendway Customer Care Representative).
4. If the material requested is not in the COM Library, customer must submit a COM test request on-line at www.trenddealer.com, send a sample of the COM material (see Test Yardage Requirements below), and include a list of Trendway product numbers designated for the COM application. Material sample should include pattern name, pattern number and color, manufacturer, direction material should be applied, and Control number from the COM Request Form automated e-mail response.
5. Ship COM samples to:

U.S. Mail and UPS, FedEx Shipment:
Trendway Corporation
13467 Quincy Street
Holland, MI 49424
Attn: COM Request
6. You will be notified within five working days of receiving the material sample by Trendway, whether your COM has been approved or disapproved for application.

TEST YARDAGE REQUIREMENTS

Capture Tiles	1	yard
Choices panels	1 1/2	yards
Fabric screens	2	yards
Flipper doors	2/3	yard
Intrinsic Freestanding	1	yard
Ped Cushions	1	yard
Tackboards	1	yard
TrendWall	4	yards
Volo tiles	4	yards

NOTE: Most fabric houses have a yardage minimum or an upcharge on less than one-yard cuts.

NOTE: All COM applications are priced at Grade 1 or Grade A.

If Buyer desires to use his own material in the production of Trendway's products, it is necessary to obtain the prior written consent of Trendway. Material provided by the Buyer shall be shipped to seller, freight prepaid, and all risk of loss or damage shall remain with Buyer. Buyer must assume responsibility for any use spoilage that takes place in the course of processing or during transportation.

Buyer hereby holds Trendway harmless against any and all claims for loss, liability, injury, or damage arising from use of customer material; and Buyer takes full responsibility for performance and quality of customer material. Buyer should also be aware that Buyer-furnished materials will not qualify for UL Listings and may not meet fire codes. Please discuss specific concerns and special needs with Trendway Customer Care PRIOR to placing your order.

11a. Custom Color

Trendway's Custom Color program allows the customer to specify their own color or stain on many of Trendway's products. See www.trenddealer.com for product availability, individual product guidelines and lead times. Set up fees and lead times are product specific and will vary.

To request a Custom Color or Stain:

- Complete a Custom Color Request form (available on www.trenddealer.com).
- Send request form along with two 2"x3" samples to Trendway Customer Care Color Coordinator.
- After the receipt of the request, Trendway will provide customer with one color sample.
- If approved, Dealer or customer completes custom color form, providing the custom match color number on the back of the sample, signs, and returns by fax or mail to Custom Color Coordinator.
- Samples will be matched under cool white fluorescent lighting. All orders processed under the Custom Color program will be manufactured within commercially acceptable tolerances.
- If applicable, dealer will be sent an invoice for \$250 color matching fee per customer, per color. See Custom Color Request form for details.

12. Special Product

When Trendway purchases special surface materials (i.e., fabrics and laminates) at the request of the customer, the customer takes full responsibility for the performance and quality of the surface material.

13. Delays

Trendway shall not be liable for loss or damage due to delay in manufacturing or delivery resulting from any cause beyond Trendway's reasonable control, including, but not limited to, compliance with any regulations, orders, or instructions of any Federal, State, or Municipal Government, or

any department or agency thereof, acts of God, acts or omissions of Buyer, acts of civil or military authority, fires, strikes, factory shutdowns or alterations, embargoes, war, riot, delays in transportation or inability due to causes beyond Trendway's reasonable control to obtain necessary labor, manufacturing facilities, or material from Trendway's usual sources. In no event shall Trendway be liable for special or consequential damages for any delay for any cause.

14. Postponement of Delivery

If unforeseen circumstances occur, Trendway Corporation may postpone delivery of ordered products. Customer will be notified when such postponement occurs.

15. Storage

When shipment is delayed by the Buyer, Trendway reserves the right to place the goods in storage at customer's risk and cost. Trendway charges 1/4 of 1% of list price per week to cover storage. All terms and conditions of the sale, including but not limited to invoicing and payment, will continue as Buyer-specified destination; except that title remains with Trendway and that Trendway reserves the right to modify payment terms to assure recovery of any additional cost incurred.

16. Transportation

All orders shipped to any destination, within the contiguous United States, will be F.O.B. origin, freight prepaid, and risk of loss or damage shall pass to Buyer upon delivery to carrier. Trendway will determine the method and agency of transportation to be used.

Exceptions to standard prepaid freight are as follows:

- Customer directed expedites (Air Freight, Team Hauls) will be prepaid by Trendway and Customer will be billed the difference between standard and expedited freight.
- Truckload deliveries that are requested to deliver on weekends, Holidays or after 12:00 noon EST on Friday's will have an additional charge of \$450 per truck.
- Excessive unloading (in excess of 2 hours) will be billed at \$50 per hour after the initial 4 hour unloading period.
- LTL shipments normally deliver between 8:00 am and 5:00 pm, Monday through Friday. A specific delivery time on your assigned delivery date can be requested for an additional charge of \$150. This charge does not

apply to full-truckload shipments. Requests for specific dates/times falling outside standard delivery timeframe for the carrier serving your area constitute Expedites (see Customer-Directed Expedites, above). Expedite charges do apply to full-truckload shipments.

- Lift gate service will have an additional charge of \$85 for an LTL carrier. For lift gate service on a truckload, contact Customer Care.
- Inside delivery service starts at \$50. Call Customer Care for quote.
- Reconsignment cost after shipment, starts at \$50. Call Customer Care for quote.
- Special equipment requirements call for a quote.

In the event that special F.O.B. Destination terms are agreed to by Trendway or delivery is made on Trendway-owned or -leased equipment, customer or authorized representative is responsible for noting any freight damage or shortage on the freight bill of lading at time of delivery and must notify Trendway within five (5) days of delivery day of any such damage or shortage. Assistance in a concealed damage claim on an F.O.B. Destination shipment will be provided by Trendway only if the product has been immediately unpacked and both the carrier and Trendway have been promptly notified of resultant damage so the proper inspection can be made.

Shipping Note:

Trendway strives to minimize packaging to help the environment and to make installations faster and cleaner.

Trendway ships products in using various packaging methods based upon the product type and shipping method (full truck vs. LTL), all of which are designed to provide protection for the product while minimizing packaging materials.

Trendway test packaging designs to ensure their effectiveness.

17. Product Ownership

Title and risk of loss to all goods sold shall pass to Buyer upon Trendway's delivery to Buyer or to a carrier at shipping point. Trendway, however, retains the Purchase Money Security Interest in all goods shipped and the right to perfect same.

18. Damaged Materials

Trendway Corporation is not responsible for shipped products when the common carrier is in receipt of the material. Trendway expects all customers to thoroughly inspect orders on receipt regardless of point of delivery. Clear receipt should not be given on the material until it has been checked for damage in transit. All claims for noted damaged material must be made by the customer to Trendway Customer Care.

Concealed damage or damage not noted at time of delivery shall be made by the customer to the common carrier within 5 days after receipt. Trendway assumes no liability for such damage.

19. Shortage on Order

Shortage on ordered products must be reported to Trendway Corporation within five (5) days of product delivery and must be noted on bill of lading at time of delivery.

20. Product Usage and Compliance

Buyer assumes full responsibility for the application of Trendway's product to Buyer's use, and compliance with Trendway installation and maintenance instructions and reasonable load restrictions. Compliance to local code restrictions regarding fire, electrical, and building codes are the responsibility of the customer or his authorized agent.

21. Post-Delivery Assistance

Installation and servicing of Trendway products are normally handled directly by Trendway-authorized dealers. When this is not possible, assistance is available by calling Trendway's Customer Care Department, Holland, Michigan.

22. Returned Goods

As a basic policy, Trendway does not accept returned material, because most items are manufactured per order and are not in stock at the factory. If material is authorized for return because of Trendway error, shipment may be made freight collect. Any other goods for which Trendway does authorize a return will be sent prepaid and a restocking charge of 35% will apply. **To receive authorization to return goods, please contact Trendway's Customer Care Department.**

All Returned Materials Authorizations expire thirty (30) days from date of issue. Any product returned after 30 days will be refused and returned to sender collect.

Electrical components, nonstandard items, and fabric-covered goods may not be returned. Replacement products will be billed to you with credit being issued upon return of the product in good condition. All goods returned must be in the original

Trendway packing cartons. Goods will be inspected for damage upon return. No credit will be issued for goods which are damaged. **As a general statement of policy, return authorization will not be issued for items unless they are Trendway stock items.**

23. Intrinsic Key-Alike Option

The Intrinsic Key-Alike option is available on all Intrinsic filing units for no additional upcharge. When the Key-Alike option is chosen, the list price of the purchased Intrinsic filing unit is reduced by the same amount that is charged when ordering the Intrinsic Core/Key Set (ZFLCK) needed for that unit.

The unit is assembled with a "disposable" core in place of the lock core to temporarily secure the drawers/doors for transit. In order for Key-Alike Intrinsic units to lock, the "disposable" core must be field replaced with an Intrinsic Core/Key Set (ZFLCK) which is ordered separately.

Intrinsic Core/Key Set orders should be placed with the Intrinsic filing order to ensure being installed at the time of product installation. The Core/Key Set (ZFLCK) can be ordered separately or by using the key-alike order form which can also be used as a worksheet to help combine and tag Core/Key Sets.

24. Special Marking or Tagging

Special tagging is available on all orders free of charge. Trendway suggests this option to simplify the staging and installation of product. **Tag designations must be specified at the time an order is placed.**

25. Trendway Field Technical and Installation Support:

On-site field measurement and installation support is available as a service. The fees are listed below:

Field Installation Assistance: 2 Day
On-Site, \$1,200

Field Installation Assistance: 3 Days
On-Site, \$1,800

Field Installation Assistance: 4 Days
On-site, \$2,400

Field Installation Assistance: 5 Days
On-Site, \$3,000

Days include 1/2 day travel to and 1/2 day travel from location. These fees are based on a minimum 14 business days advanced notification and booking. Service requests booked less than 14 business days in advance may be subject to additional fees due to added travel cost. For more information or to place a request, contact Trendway Customer Care at 1-616-399-3900.

Find the most current terms and conditions on www.Trendway.com, in the Price list section.

LIMITED LIFETIME WARRANTY

Trendway Corporation warrants to the original purchaser that the products described in its price lists, sold after August 1, 2004 will be free from defects in materials and workmanship commencing with the date of initial purchase and continuing for as long as the original owner uses these products. This warranty provides limits on the following products:

	Systems	Architectural Products	Seating
10 Year	•Height-Adjustable Table Frame •Electrical Components	•Electrical Components	•Pneumatic Cylinders •Mechanisms
5 Year	•Drawer Slides •Systems Textiles •Laminate, Paint, Plastic •Electronic Ballasts •Height-Adjustable Table Mechanical Components •Screens	•Systems Textiles •Laminate, Paint, Plastic	
3 Year	•Veneer •Magnetic Ballasts	•Veneer	•Trim •Foam •Upholstery •Arm Pads
2 Year	•Surface Trend Fabrics •Height-Adjustable Table Electrical Components	•Surface Trend Fabrics	
1 Year	•Non-Standard Product •Personal Task Lighting	•Non-Standard Product	•Non-Standard Product
Not Covered	•Light Bulbs •Customer's Own Material	•Customer's Own Material	•Customer's Own Material

The following exceptions apply to all product lines:

- The Trendway warranty applies to normal three shift office use, with the exception of seating. Seating is warranted for single-shift usage.
- Damage caused by improper treatment of the product including exposure to unusual environmental conditions (extreme climates, acids, and moisture)

This comprehensive warranty applies to all products installed or reconfigured by a Trendway authorized installer. Trendway will repair, or at its option, replace defective merchandise, free of charge, which, when used normally and pursuant to Trendway's published instructions, and applicable planning guide information, prove to be defective within the period stated. This remedy is expressly agreed to be exclusive as a condition of sale. No person is authorized to assume for Trendway any warranty liability, except as expressly set forth in this paragraph, or set forth in writing by an authorized officer of the company at its headquarters in Holland, Michigan.

Any and all labor charge backs must be pre-approved by Trendway's Customer Care Manager in writing. Trendway will reimburse authorized Trendway dealers and service centers for approved warranty labor during the first year of use.

This warranty does not apply to damage resulting from accident, alteration, transport, or misuse, as well as damage from normal wear and tear such as dents, nicks, scratches, fading and improper maintenance. Trendway employs quality measures to ensure color consistency in our products. However, due to the effects of light and other environmental factors, no guarantee can be made for an exact match to product in an existing installation.

Natural variations occurring in materials such as wood and leather are not considered defects, and Trendway does not warrant the matching of colors, grains, textures or colorfastness of these materials.

Trendway provides a three-year warranty on veneer products for quality and craftsmanship. Due to the natural properties of wood, the following are not covered under this warranty:

- Changes in wood color resulting from exposure to light or aging
- Natural color variation between wood veneer and solid wood pieces, or resulting from veneer lay-up
- Natural variation in wood grain or the presence of character marks
- Normal wear and tear
- Exact match to swatch materials

Trendway makes no warranty to purchasers who acquire products for personal, family, or household purposes, or to purchasers acquiring the product other than directly from Trendway Corporation, its authorized dealers, or others who are specifically authorized by Trendway to sell such products. Trendway's liability with respect to its products shall not exceed that expressly set forth above irrespective of the theory upon which a claim might be based, including negligence. Under no circumstances shall Trendway be liable for incidental or consequential damages. Original product label must be attached to the product in question.

The warranty period is not interrupted or prolonged by the performance of a service under the terms of the warranty. There are no other warranties except as expressly set forth above, either express or implied, including any warranty of design, merchantability or fitness for any purpose.

This warranty supersedes all previously printed Trendway warranties.
