Elea | EXECUTIVE + CONFERENCE

The Elea chair was designed with every line and curve to be both aesthetically distinctive and pleasing. Crafted with premium materials, Elea redefines sitting by seamlessly moving with your body while integrating with your workspace.

It will move you, literally.

Elea | Suspended Seat Pan | Alloy Steel Rods provide elevated comfort | Adjustable Tension | Height Adjustable | Breathable Mesh | Tilt Lock | Hubless Casters

### UPHOLSTERY COLORS

Black Mesh   Grey Mesh

Elea Seating available in Black Mesh with Black Chair and Grey Mesh with White Chair.

### Designed to Move

Elea challenges stagnation through movement while sitting. Elea moves with you.

### Engineered to Suspend

Fellows created a revolutionary chassis that suspends the seat freely — a concept never before seen on a chair.

# T51

## Simple sophistication

T51 | EXECUTIVE

EXECUTIVE

EXECUTIVE

TASK

Winner of four international design awards, the T51 Chair combines comfort technology with elegant design. The sleek profile is shaped to fit the natural curve of the body. A full array of standard ergonomic adjustments let T51 easily fine-tune to support every user, and it's rated to support up to 300 lbs. And all T51 models are on Trendway's Express program for quick 3-day shipment.

T51 | Ergonomic S-shape back | Innovative lumbar support | Height, depth and pivot adjustable arms | Adjustable seat depth | Forward tilt mechanism | Polished aluminum or black base and arms | Multi-position back stop | Synchronized tilt mechanism with side tension control | Optional headrest | Easily replaceable back and seat cushion

MID BACK

STOOL

Sleek, tailored and loaded with ergonomic features, Sketch seating performs in every work environment, at a price that will make you smile.

Sketch is offered with an upholstered or mesh back. The upholstered back can be specified in mid or high back, with standard height adjustment. An array of comfort control options are available, and a choice of black or polished aluminum arms and base. All models are rated to support up to 300 pounds. If you need quick delivery, the Express model ships in just three days.

Sketch | Multiple back options | Multiple chair mechanisms | Adjustable seat depth option | Open loop or four-way adjustable armrests | Standard black or optional polished aluminum base with loop armrests

# Code

## Proportioned for comfort

Code | EXECUTIVE | MESH

With a lean, smart profile that's generously built for comfort, Code adjusts easily to provide supportive seating for people large and small.

The beautiful polished aluminum frame defines a supportive mesh back. Executive and Task models provide standard full ergonomic controls, including adjustable arms and seat depth. The Conference model provides affordable elegance. All models except the Stool are rated to support up to 300 pounds.

STOOL | MESH

Code | Synchronized tilt mechanism with side tension control | Mesh back with upholstered seat or full leather upholstery | Features available on select models include: Adjustable armrests or polished aluminum loop design | Seat depth adjustment | Adjustable headrest | Polished aluminum base and seat back supports (standard)

# Rexxi 2

## Simply, a great chair

Rexxi 2

TASK

STOOL

Rexxi 2 makes selecting a great chair simple, with all the best features standard in one package: comfort, ergonomics, adjustability and value. The innovative spring-coil enhanced cushion provides truly remarkable comfort. A stylish mesh back and classic black upholstery complement any interior and the chair easily adjusts for users of all sizes — it's even rated for up to 300 lbs.

## Series Y

Good looks, great value

Series Y | MID BACK

MID BACK

Series Y provides comfortable, affordable Executive seating that ships quick. The molded foam contour back and waterfall-front are designed for comfort. Includes standard pneumatic seat height adjustment, pivot knee tilt and Black bonded leather upholstery. Ready for immediate delivery with our fast Express shipping.

Series Y | Knee-tilt mechanism | Black bonded leather | Five-position tilt lock | Seat height adjustment | Tilt tension control

## Zadi

Just Right

Zadi | Mesh Back

UPHOLSTERED | MESH BACK

UPHOLSTERED | SHELL BACK

UPHOLSTERED

Zadi is a versatile multipurpose chair that adds refined, contemporary appeal wherever it's put to work. The slim, stylish profile reflects today's lighter, more flexible office aesthetic.

An ample menu of fabric, finish and style options lets you select the look and feel to enhance any décor. Upholstered, non-upholstered and mesh back options all complement the classic chrome base. It's just right for so many spaces.

# Zego

Ready, set, Zego!

Go for the best in design, comfort, quality and value in a flip/nest chair! Zego embraces the body with comfort and pleases the eye with style. The smooth, responsive flexing back enhances user comfort, especially during long meetings or training sessions. Zego zips into place when needed, then nests snugly out of the way when not in use. Perfect for spaces where people meet, learn, work, and relax.
